J. Scott Kleppe PRESIDENT AND CHIEF EXECUTIVE OFFICER, SENSIT

TECHNOLOGIES J. Scott Kleppe is President and Chief Executive Officer of Sensit Technologies LLC in Valparaiso, Indiana. A leading manufacturer of gas detection instruments for the natural gas industry. Scott has been with SENSIT since 1984 and in 1999 was named President of the company upon his father’s retirement. Today, with over 125 employees in 3 countries (including Italy and India), global product distribution to more than 40 countries, Sensit’s operation includes sales and service, research and development, and manufacturing. He and his wife, Tina, reside on their small farm in Union Mills Indiana with their dozens of rescued animals.

ACCOMPLISHMENTS

- Fostered the importance and goodwill of the Gild among its members and new members.
- Continued building membership despite the lack of industry events during COVID lockdown.
- Promoted the creation of the first scholarship program for students in an industry related trade school.
- Promoted the creation of an advocacy task force to help promote the use of natural gas in conjunction with AGA.
- Attended numerous in person and supported virtual meetings.

I would like to say what an honor and privilege it has been to lead this team of incredible people. I can't say enough about the effort of the Wardens, Alderman, Special positions, and the Officers have put forth to keep the Gild ALIVE! As we have all been through very challenging times and despite everything for the last 18 months done virtually, I am proud to say that because of everyone's help I can move on to PM XXXVII knowing the Gild in a great place for the future.

Thank you with a humble Left,

J. Scott Kleppe
 Past Mayor XXXVII
